

Our theme for 2003 is:
Come join in the celebration!!!
It's the 5th Annual Waterfront Film Festival

Can you believe our 5th year is just around the corner– Waterfront Film Festival 2003!!!!

The Waterfront Film Festival is 100% volunteer directed and staffed, and so we depend on volunteers to pull it all together. We need more great volunteers like you so that we have more hands available to sell tickets the weeks before film, set up the festival and put it away!!! So, please share the news and the need with a friend. You may sign up for one shift or multiple shifts, or you will find there is a box to sign up for a whole day. Whatever time you can give us will be greatly appreciated. There are 30 different shifts that need to be filled. Make multiple copies for your friends.

Most of you want to know what kind of jobs we need you to fill. The following list gives you an idea of what each job entails:

“Work at the office” = Working at the main office – selling tickets, answering phones, giving film goers directions and much, much more. (Volunteers are needed from Memorial Day on!)

“Set up Film Festival” = To help us set up the film festival so that it ready to go! A BIG NEED!!!

“Clean up from Film Festival” = The clean up day! We will need to put every thing back to it's proper place.

“Security” = This job keeps the film festival going, for example directing parking traffic, setting up parking signs and general “Johnny on the Spot” needs.

“Ticket Takers” = Taking tickets at the venues, selling Waterfront Film products, selling refreshments

To sign up for any of the above, please send your completed sign up sheet via one of three easy ways: Mail, Fax or Email
